Dear Michael,

There is no way we can adequately thank you for the very generous donation from Universe Corporation. As expected, the challenging economy has made this a difficult year for Sunshine Ministries. That only makes your donation even more meaningful and appreciated!

It is especially heartwarming to know that your employees and vendors were a part of this gift. Please share our sincere thanks and assure them all that the money will be used to help hundreds of homeless and needy men, women and children. Their generosity will make a real difference to these people and bring a lot of joy into their lives this holiday season!

You have blessed us with your generosity and encouraged us with your kindness! All of us at Sunshine Ministries thank you and wish you a happy holiday!

Thankfully,
